AIDS HELPLINE: 0800-0123-22 Prevention is the cure

- b. The ratio of learners to facilitator shall not exceed 12:1 for theory training; and
- c. The ratio of learners to demonstration/practical training per machine shall also not exceed 4:1 and all operator training must be subject to direct facilitator supervision.
- d. Upgrades on codes for learners / operators shall be regarded as re- certification, provided that the upgrade will be of a same type of lifting machine i.e. code F1 to code F 3, code F5 to F14. C33 to C36
- e. In the event where the operator's carry card has expired for more than 90 days, the learner/operator has to undergo novice training.

Notes:

- Operators without a valid certificate shall not operate the relevant lifting machine/equipment in the working or operating environment.
- Operators of immovable machines (area specific) may be trained/ assessed in the working or operating environment only under the direct and constant supervision of a facilitator/assessor and the work area is safe and safeguarded.
- Should the operator not meet the prescribed unit standard competency further training must be arranged, for the learner to achieve the particular outcome/s.

9. Entrance qualification conditions

9.1 All learners of whatever status must be physically capable of performing without difficulty the tasks involved in operating the lifting machine/equipment for which they are to receive training or re-certification training and are at least 18 years of age.

9.2 Before commencing training or re-certification training every learner shall provide the accredited training provider with the following:

- a. A declaration or certificate from the employer confirming the medical fitness of the learner to undergo the intended training;
- b. An eye test results issued by a person trained to carry out such tests, confirming that the learner has adequate day and night vision, and depth perception (e.g. Purdue University standard vision test No. 3): Provided that a valid Professional Driver's Permit can also be accepted in lieu of the eye test results; and
- c. Shall wear the required personal protective equipment as prescribed by the employer under the General Safety Regulation 2 of the Occupational Health and Safety Act.

9.3 All new entrants intended under this code will be required to hold at least a General Education and Training Certificate, Grade 7 and must be at least 18 years of age.

- a. Additional Entrance Qualification Conditions for Mobile Jib Cranes and Tower Cranes
